DOUGH BOY'S ORIGINAL PIZZA

THE WAVE

☺ **Original Pizza is made with our hand-crafted, thinner-style crust
Dough Made Fresh Daily!**

THE WAVE is our creation of the best of both worlds, part Calzone and part Dough Boy's Original Pizza, and always made to order from scratch. Half of **THE WAVE** is hand-folded dough with ingredients packed inside like a Calzone, and the other half remains flat and is topped like a pizza. We could call it a "Cal-Pizza," but we think it looks just like a **WAVE!** No ingredient substitutions, please. Ingredient deletions are accepted.
