

DOUGH BOY'S ORIGINAL PIZZA

The dbWave Calzone Pizza

THE WAVE is our creation of the best of both worlds - a Calzone wave crashing onto a Dough Boy's Original Pizza.

Always made to order from scratch. Half of THE WAVE is hand-folded dough with ingredients packed inside like a Calzone, and the other half remains flat and is topped like a pizza. We could call it a "Cal-Pizza," but we think it looks just like a WAVE! No ingredient substitutions, please. Ingredient deletions are accepted.

Original Pizza is made with our hand-crafted, thinner-style crust. Dough Made Fresh Daily!
