# DOUGH BOY'S ORIGINAL PIZZA

your slice of **TRULY** local

## The dbWave <sup>Calzone</sup> Pizza

dough boy's

**THE WAVE** is our creation of the best of both worlds - a Calzone wave crashing onto a Dough Boy's Original Pizza. Always made to order from scratch. Half of **THE WAVE** is hand-folded dough with ingredients packed inside like a Calzone, and the other half remains flat and is topped like a pizza. We could call it a "Cal-Pizza," but we think it looks just like a **WAVE!** No ingredient substitutions, please. Ingredient deletions are accepted.

Original Pizza is made with our hand-crafted crust.
